<p>Odisha has always taken India to the globe</p>	<p><i>Quick intercuts of Odisha development ... space station (Gopalpur), fast development of cities, young executives ... music changes appropriately to modern instrumental, preferably “rhythm”</i></p>
<p>Let’s look at one more aspect of life - education</p>	<p><i>Fast montage of Regional Engineering Colleges and Educational Institutions from Odisha</i></p>

This is the story of RENGCOL	<i>Slow fade in of the old Regional Engineering College at Rourkela ... from 1961 archives</i> <i>Music: guitar version of El Condor Pasa (Simon & Garfunkel)</i>
This is the story of our <i>Patta Chitra</i>, where each one of us painted our destinies ... <i>together</i>	<i>Slow fade in of the old Regional Engineering College at Rourkela ... from 1961 archives</i>
We are the <i>Chitrakaars</i> of an emerging India	<i>Fast montage of people shots ... faces ... alumni, students ...</i>
As students, teachers, leaders and visionaries, we remain united ...	<i>Fast montage of people shots ... faces ... alumni, students ...</i>
By that one piece of <i>Patta</i> (fabric) – which we fondly call as NITRAA	<i>Creative treatment – table top / video of hand running fingers across a Patta Chitra, almost caressing it ...</i>
Let us take a step back in time ...	<i>Creative treatment – table top / video of hand CU, turning an old sand clock ...</i>
Biju Patnaik, August 15, 1961 – the Regional Engineering College at Rourkela was founded	<i>Photos from archives showing old college infrastructure – gate, classrooms, principal's office, staff room, playground, hostels etc.</i>
The first batch of 120 students from Civil, Electrical, Mechanical and Metallurgy graduated in 1965	<i>Photos from archives showing old college infrastructure – gate, classrooms, principal's office, staff room, playground, hostels etc.</i>
In 2002, RENGCOL became the National Institute of Technology, Rourkela	<i>Camera pans over the NITR logo ... OR ... new building with NITR logo</i>
The first college to adopt the MCA course with the first batch graduating in 1986	<i>Relevant video clips</i>
NITR started both Masters and integrated Masters courses in Physics, Chemistry and Mathematics	<i>Relevant video clips</i>

And even started a business school	<i>Relevant video clips</i>
Moving on to the next chapter of our story – the story of NITRAA	<i>Old archive photo of Old Boys School, 1960's</i>
Shri Bhubaneswar Behera, our Founder Principal, started the Old Boys' Club in 1965	<i>Old archive photo of Old Boys School, 1965</i>
The Club was an active association promoting networking and relationships among alumni.	<i>Relevant photos / clips</i>
In 2001, Old Boys Club turned into a formal alumni association under the leadership of Bharat Bhushan Mohanty, an alum of 1969	<i>Relevant photos / clips (with permission, use Mr Mohanty's picture as a young man with his colleagues)</i>
We found a constitution and a working structure and attempted to make it a truly national association	<i>Camera pans over the NITRAA logo ...</i>
In 2002, we registered the association as NITRAA as we adopted the NIT name	<i>Camera pans over the NITRAA logo ... group shot from NITRAA archives</i>
Today, every student that passes out of the institute is a NITRAAN	<i>Group shot from NITRAA archives</i>
20,000 and growing ...	<i>Rejoicing students from passing out ceremony</i>
We would like to acknowledge from the bottom of our hearts ...	<i>As running scroll – top to bottom ... names at a reasonably fast speed ...</i>
